

Dear Parents & Students,

Today we are launching our first fundraiser of the year! Our students in 6th-12th grades will have the opportunity to travel on overnight capstone trips to Washington DC (Middle School) and Puerto Rico (High School).

Elementary student capstone opportunities are still being determined by their teachers and info will be shared as soon as it is available. We wanted to give you an opportunity to start earning money towards those trips.

Thanks to Original Mackinac Island Fudge Company for supporting our

student travelers! As always, participating in fundraisers is completely optional. All money earned by your student through these fundraisers will be set aside in an account for your student to use toward any school related travel experience, this year or in future years. We do our best to keep all trip costs as low as possible, fundraisers serve as a way to off-set the costs of the various travel experiences. Below are the specifics for this fundraiser:

Original Mackinac Island Fudge Co

Cost - \$8 per item

Earnings - \$4 per item

Order forms are due **Thursday, Nov. 3, 2022**

****As a reminder, the proceeds from fundraisers are put into student accounts, and all earnings are used for IES overnight trips. Unused funds by students upon graduation from Innocademy may be allocated for two purposes: transferred to a sibling or to a scholarship fund. All funds earned may be used by any traveling family members. If your family chooses not to use these funds while your student is enrolled in an IES school, the unused funds in their trip account will be transferred to a travel scholarship account for students in need. Funds raised are intended for travel and are not reimbursable.****
