

Dear Parents & Students,

Today we are launching our final set of fundraisers for the year! Our students in K-12th grades have the opportunity to travel with their classmates to Muskegon, Washington DC and Puerto Rico. We are thankful to Biggby Coffee and Hungry Howies for supporting our student travelers! As always, participating in fundraisers is completely optional. All money earned by your student through these fundraisers will be set aside in an account for your student to use toward any school related travel experience, this year or in future years. We do our best to keep all trip costs as low as possible, fundraisers serve as a way to off-set the costs of the various travel experiences. Below are the specifics for these fundraiser:

**\*\*As a reminder, the proceeds from fundraisers are put into student accounts, and all earnings are used for IES capstone trips. Unused funds by students upon graduation from an IES school may be allocated for two purposes: transferred to a sibling or to a scholarship fund. All funds earned may be used by any traveling family members. If your family chooses not to use these funds while you student is enrolled in an IES school, the unused funds in their trip account will be transferred to a travel scholarship account for students in need.
