

Dear Parents & Students,

Today we are launching our first fundraisers of the year! Our students have the opportunity to travel with their classmates to great destinations this year - High Schoolers to [Arizona and Utah](#), Middle Schoolers to [Maine](#) and K-5 friends is still being planned and will be announced soon. These opportunities are foundations of iCademy and because they are foundational, iCademy contributes to the overall cost of each student traveler. We do our best to keep trip costs as low as possible, fundraisers serve as a way to help off-set the remaining costs for those interested in traveling but would like to raise additional support. As always, participation in fundraisers is completely optional and not required to travel. All money earned by your student through fundraisers will be set aside in account for your student to use for any school related Capstone opportunity, this year or in future years.. As a reminder, the proceeds from fundraisers are put into student accounts, and all earnings are used for IES overnight trips. Unused funds by students upon graduation from iCademy Global may be allocated for two purposes: transferred to a sibling or to a scholarship fund. All funds earned may be used by any traveling family members. If your family chooses not to use these funds while your student is enrolled in an IES school, the unused funds in their trip account will be transferred to a travel scholarship account for students in need. Funds raised are intended for travel and are not reimbursable.
